

Process Input

```
graph LR; A[Process Input] --> B[Update world]; B --> C[Render world]
```

A flowchart with three rectangular boxes connected by arrows. The first box on the left contains the text 'Process Input'. An arrow points from the right side of this box to the left side of the second box in the middle, which contains the text 'Update world'. Another arrow points from the right side of the second box to the left side of the third box on the right, which contains the text 'Render world'.
